

# Employee Self-Service LOG IN Instructions

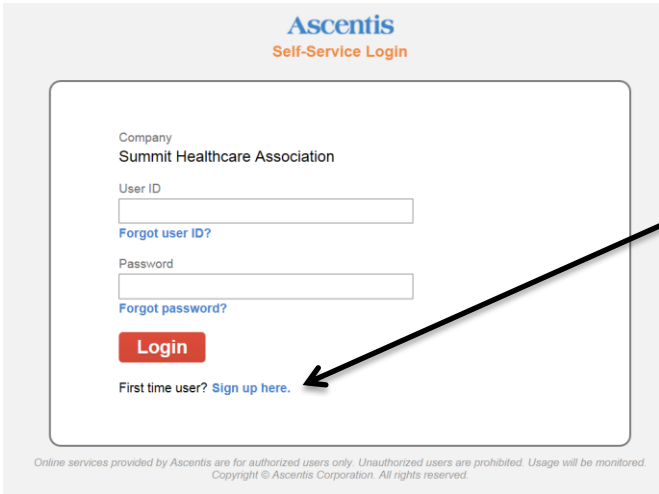

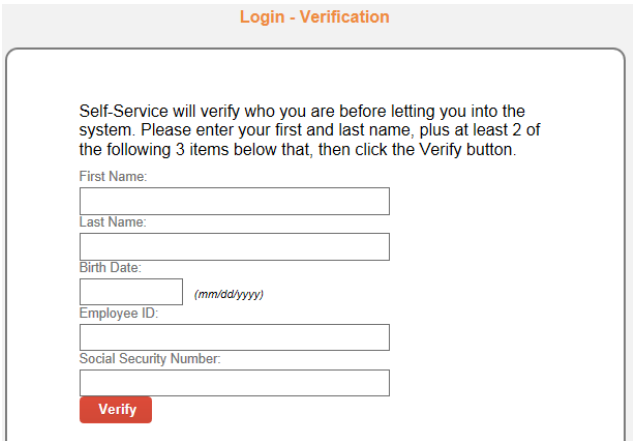

This document provides information on how to log in and navigate the Employee Self Service (ESS) environment.

## Introduction

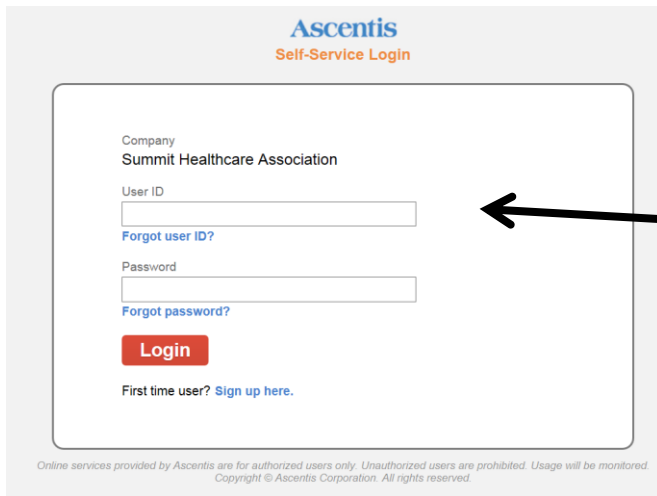

Employee Self Service (ESS) is a web application that makes it easy for employees to view information about themselves, their Family Members, and Benefits. ESS allows employees to manage and confirm their own data. It is also a place where directors can view information about employees in their departments.

Access the application using the icon on your desk top (insert icon here). Or,

Go to: <https://selfservice.ascentis.com/SummitHealthcare/> in your internet browser. Save this URL as a *Favorite or Bookmark*.
