2) Create a username & password.

By default, this will be your email address. Next, create a password following the criteria noted on the right of the screen. Confirm your password to continue.

3) Connect your account.

Some Frequently Asked Questions:

How do I sign up for Follow My Health?

You can set up an account in Follow My Health at any time. You will be able to connect with Summit Healthcare and Summit Healthcare providers once your account is established.

You need to answer verification questions in order to complete the connection to your patient portal. Summit Healthcare representatives do not know the answers to the verification questions. This is to protect your personal health information.

Can I still check-in prior to my appointment?

Yes, you will a reminder email 48-hours prior to your appointment and 24-hours prior to your visit with your healthcare provider you will receive a text message to complete your online check-in process. Completing these forms in advance will ensure your visit with your healthcare provider will be timely and efficient..

Will my medical record from the previous patient portal transfer over to Follow My Health?

No, when you register for the new Follow My Health Portal please be aware that none of your medical history from the previous health portal will be transferred over to the Follow My Health Portal. Rest assured your previous medical visits and your medical records from the former portal are still available to you and your healthcare provider. If you would like a copy from Summit Healthcare Outpatient Clinics call 928-537-6851 and for Summit Healthcare call 928-537-6254.

What if I don't see my provider listed in the portal?

Your provider will automatically populate once you have made an appointment with your healthcare provider. You do not need to search for your healthcare provider.

Can I still communicate with my provider?

Yes, after your first appointment with your healthcare provider, you will be able to communicate with them through the Follow My Health Patient Portal. However, if you need to communicate with your provider's office prior to your appointment please contact the Patient Experience Center at 928-537-6700 and the team will send a message over to your provider's office.
