

## Summit Healthcare's Cancer Center

in Show Low, Arizona is here for our patients who have been recently diagnosed with cancer. We provide state-of-the-art treatment and incorporate the latest treatment options, including chemotherapy and radiation therapy, to deliver individualized care to our cancer patients. Gifts from individuals, businesses, foundations and others help build our cancer program and ensure healthcare excellence close to home - for generations to come.

*Making a tribute gift is a heartfelt way to honor and remember a loved one, friend, colleague or a special caregiver.*

**The Wall of Hope** is an opportunity specifically designed to recognize a meaningful tribute while supporting Summit Healthcare's Cancer Center mission to provide exceptional compassionate care, close to home.

As a Wall of Hope donor you may choose a ribbon you can inscribe with a short message of hope, gratitude or inspiration to an honoree on the Cancer Center's Wall of Hope.

By contributing to the Wall of Hope you not only create a permanent memorial, you also help patients who need a place to stay or gas cards while they receive treatments and provide needed equipment to the Cancer Center. Your contribution is restricted to the Cancer Center and will be used for our patients to receive high quality care.

Summit Healthcare Foundation gratefully acknowledges the commitment of all those who demonstrate their support with a contribution or a pledge. We also recognize the quiet dedication of those who wish to remain anonymous.
